

SOLAR LED LIGHT KIT

The environmentally sensible solution that can **SAVE YOU MONEY**

Just because night falls, doesn't mean you can't enjoy the natural light. The Solar LED Light Kit from Natural Light is the perfect solution to fill your space with a soft glow even after the sun has set. The Solar LED is designed to be installed with any of Natural Light's rigid light pipe tubular skylights. Homeowners are eligible for the Federal Solar Tax Credit on all residential tubular skylight installations. For more details and pricing, please contact your Natural Light dealer.

**When used with a
Natural Light Tubular Skylight*

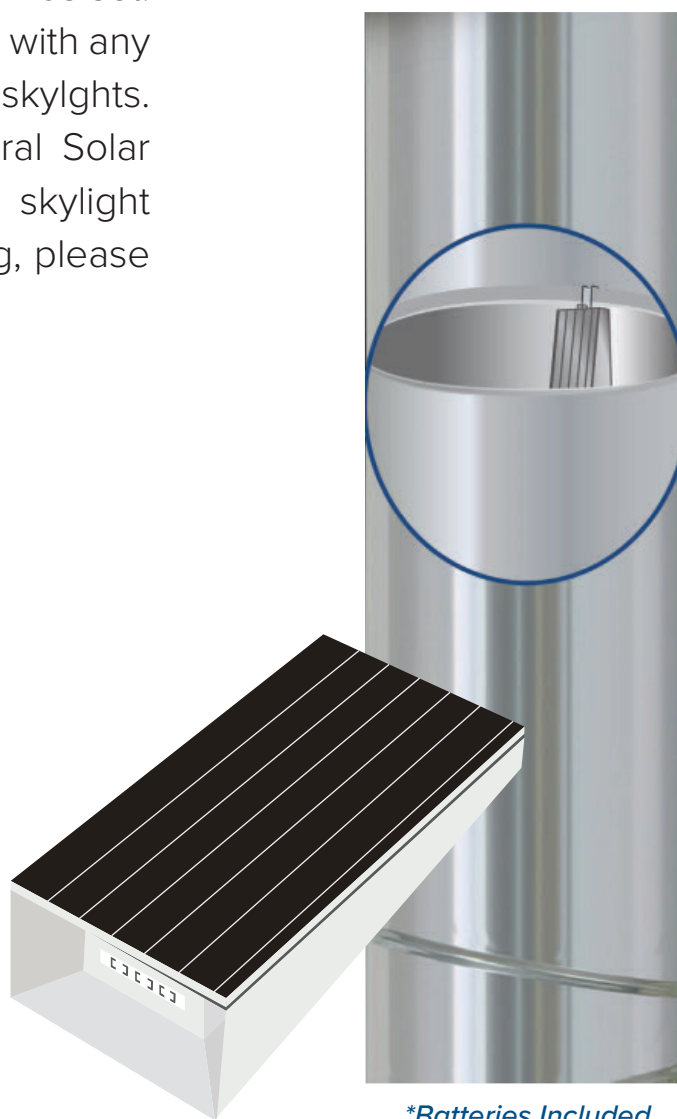

Energy Stored in
Rechargeable Battery

Automatically
Turns ON/OFF

Illumination
Period: 10-12hrs
