Statement:

Natural Light Energy Systems certifies that the:

10" TUBULAR SKYLIGHT + SOLAR LED LIGHT KIT

13" TUBULAR SKYLIGHT + SOLAR LED LIGHT KIT

18" TUBULAR SKYLIGHT + SOLAR LED LIGHT KIT

21" TUBULAR SKYLIGHT + SOLAR LED LIGHT KIT

qualify for federal tax credits in the Solar Energy Systems category under Photovoltaic Systems as defined in the **Inflation Reduction Act of 2022**.

**Must pair Tubular Skylight with LED Light Kit for Tax Credits*

In order to qualify for the Natural Light Tubular Skylight 30% Federal tax credit, Products must have been placed in service on January 1, 2023 through December 31, 2023 on an existing or new construction residential home. Units installed on rental or commercial properties do not qualify for tax credits. In addition, the products must contain our new Solar Powered LED Lights.

The homeowner is eligible to receive a 30% federal tax credit on the entire unit as well as any installation costs incurred. There is no cap on the cost amount on which a tax credit can be claimed on qualifying photovoltaic systems in accordance to the Inflation Reduction Act of 2022.

To claim a tax credit, this Statement of Certification is not required to be filed with the tax forms, but income tax regulations require taxpayers to have appropriate documentation to qualify for a tax credit. Please complete the form below and keep it with your tax records. Also, keep the receipt for the system including installation costs.

Disclaimer: This Statement of Certification was prepared on January 1, 2023 in accordance to the qualifications for tax credits as the law states on this date. Natural Light Energy Systems cannot guarantee the products eligibility if the current requirements or laws change after 12/31/23. Natural Light Energy Systems recommends consulting a tax professional if considering filing for a tax credit. More information about tax rebates is available from the IRS. Natural Light Energy Systems is not responsible or liable for a taxpayers ability to receive tax credits.
